

What do we offer?

Our rental division operates from our Sittingbourne Volkswagen Commercial Vehicles Centre where vans from the range are available to hire as well as a selection of cars from our sister Volkswagen centre.

Our highly competitive rental rates include VAT and insurance and you'll even find guidelines on the 'ideal' usage of our vans to help you decide which model better suits your requirements. Most of our vehicles are less than six-months-old and so come with the latest manufacturer standard specification for additional luxury and comfort.

We operate a like for like price match policy: if you supply us with a cheaper quote for the same model of vehicle, of a similar age and mileage, we will match that price.

All rentals cover 2 people driving. Vehicles can go abroad at additional cost.
